Continuation of Substance of Interview including description of the general nature of what was discussed: The attorney brought to the attention of the examiner that a PTOL-413B was required in lieu of the PTOL-413 Interview Summary that was mailed on March 29, 2004. The Attorney does not need to reply to the Interview Summary (PTOL-413) mailed on March 29, 2004, although the information submitted (informal amendment) remains on the record. A proper PTOL-413B is now issued also with no response necessary..
